Please understand that, at the very least, a pet needs periodic grooming and annual vet expenses. Before adopting, please consider these expenses and whether you can afford same.

Our veterinarians are generous and loving professionals who support our efforts and often give us discounts in their procedures to care for our animals. However, in order to pay for them, we must ask for an "Adoption Fee or Adoption Donation". These range from \$300.00 and up. We are always accepting donations to support our mission of saving more homeless and abandoned dogs. Thanks for your generosity and for supporting our efforts.
