The Adoption Process for Potential Adopters

1. Adopter must make their request by completing our “Destiny for Dogs Adoption Application”
2. A home visit will be done by a Destiny for Dogs volunteer. At this time the dog may be brought to the potential adopter’s home to see how the dog and the potential adopter interact.
3. Once the Destiny for Dogs volunteer approves the home and the applicant, a “Destiny for Dogs Adoption Placement Agreement” must be completed and returned to Destiny for Dogs. This agreement will include the required donation for the pet.
4. Arrangements will then be made to place the pet with their new forever family.

The Fostering Process for Potential Foster Families

1. Potential foster families must complete the “Destiny for Dogs Foster Application”.
2. A home visit will be done by a Destiny for Dogs volunteer.
3. When pets become in the need of a Foster Home, Destiny for Dogs will assess each dog and match them up to a suitable Foster Home.
